La Revue vétérinaire canadienne
Volume 39
janvier à décembre 1998

Index des sujets

Analgesia

Attitudes and concerns of Canadian animal health technologists toward postoperative pain management in dogs and cats, 491

Evaluation of possible methods to reduce pain associated with electroejaculation in bulls, 504

Postoperative urinary retention in a dog following morphine with bupivacaine epidural analgesia, 650

Using the fentanyl patch (letter), 5

Using the fentanyl patch — A reply (letter), 6

Anesthesia update

Questions about anesthetic equipment, 311

Anatomical abnormalities

A distinct Mendelian autosomal recessive syndrome involving the association of anotia, palate agenesis, bifid tongue, and polydactyly in a dog, 642

Persistent right aortic arch in a yearling horse, 714

Anesthesia

End tidal halothane concentration and postoperative analgesia requirements in dogs: A comparison between intravenous oxymorphone and epidural bupivacaine alone and in combination with oxymorphone, 361

Animal welfare

A welfare concern (letter), 133

Annual report of the CVMA

339–347

Aquaculture

Ulcerative dermatitis caused by *Aeromonas salmonicida* spp. *salmonicida* in farmed Atlantic salmon in British Columbia, 110

Around the provinces

12–13, 83–84, 210–211, 281–282, 357–358, 414–415, 488–489, 541–542, 614–615, 688–689, 747–748

Asepsis

Cutaneous antimicrobial preparation prior to intravenous catheterization in healthy dogs: Clinical, microbiological, and histopathological evaluation, 757

A smile or two

The importance of correct punctuation, 713

Association canadienne des médecins vétérinaires, l'

50e anniversaire de l'ACMV, 14–15, 145–147, 274–276, 482–484

ACMV prend position sur trois questions importantes, L', 348–351

ACMV a établi ses objectifs et ses priorités, 480–481

Banque de données sur les désordres héréditaires chez les chiens, 686–687

Budget de 1998 approuvé, 77

Bureau national des examinateurs, le, 10, 150, 269

Campagne publicitaire de l'ACMV, 270–272

Coin du développement international, 416–417

Comité de la redaction, 19

Comité sur les enjeux national de l'ACMV : Mise à jour, 10

Comité d'experts de l'ACMV sur la STbr, 213, 353–354

Comité sur le bien-être des animaux de l'ACMV, 18, 19, 212

Concours de photo et de t-shirt, 17, 207

Congrès, 149, 151, 208–209, 277–278, 355–356, 537, 685, 745

Déclaration publique de l'ACMV sur la manière de disposer des chats et deschiens euthanasiés, 683–684

Discussions sur les grands enjeux vétérinaires lors du Congrès de l'ACMV, 609–612

Dr Peter Fretz accepte le poste de président à Toronto, 479

Fidèle au poste (le comités de l'ACMV), 16

Guide pratique — couronné, 152

Inquiétudes sucitées par les règlements régissant les imporations porcines, 79

Micropuces : L'ACMV joue un role prépondérant dans la normalisation, Les, 420

Ministre de l'Agriculture rencontre l'ACMV, Le, 78

Modification des protocoles de vaccination jugée prématurée, 203–206

Nouveau service téléphonque au bureau de l'ACMV, 612

Offre excédentaire de vétérinaires au Canada risque d'entraîner une chute des revenus, selon l'étude démographique, 535–536

Présidents des comités de l'ACMV en action, Les, 481

Prix de l'ACMV, Des, 538–540

Programme de bulletins, de livres et de documents audiovisuels de la Commonwealth Veterinary Association, 689–670

Programme de certification des aliments pour animaux de compagnie de l'ACMV, 618

Questions clé à l'ordre du jour du conseil, 75

Rapport annuel de l'ACMV, 339–347

Régime d'assurance de l'ACMV, 617–618

Remaniement du Bureau des médicaments vétérinaires, Le, 143

Semaine de la vie animale, 11, 13, 80, 151, 273, 412–413, 744

Sondage auprès des finissants, 545–546

Vétérinaires font la une, Les, 484–486

Votre ordinateur est-il prêt pour le saut de millénaire?, 411

Avian species

Newcastle disease in cormorants, 299

Use of rabbits in ostrich rearing, 99

Bacteriology

Bacterial resistance, 378

Clinical mastitis in dairy cattle in Ontario: Frequency of occurrence and bacteriological isolates, 33

A correction, 240

Distribution of *Streptococcus suis* capsular types in 1997, 300

Focal symmetrical encephalomalacia in a 6-month-old Dorset sheep, 434

Isolation of a nicotinamide-adenine dinucleotide (NAD)-dependent *Pasteurella haemolytica*-like organism from the placenta of an aborted cow, 507

Listeria monocytogenes and *Escherichia coli* septicemia and meningoencephalitis in a 7-day-old llama, 100

Prévalence des infections à *Salmonella* spp. chez les bovins et les équins de l'Hôpital vétérinaire d'enseignement de la Faculté de médecine vétérinaire de l'Université de Montréal, 566

Salmonella typhimurium DT104: A virulent and drug-resistant pathogen, 559

The effect of streptomycin, oxytetracycline, tilmicosin, and phenylbutazone on spermatogenesis in bulls, 103

Blood

Clinical pathology interpretation (dog), 177

Immune-mediated hemolytic anemia associated with trimethoprim-sulphamethoxazole administration in a horse, 171

Measuring vitamin A in blood plasma and serum (letter), 261

Books received

43, 102, 178, 237, 291, 426, 590, 678, 779

Key veterinary issues addressed at CVMA Convention, 609–612

Key issues on Council agenda, 75

Microchip technology: CVMA plays leading role in standardization, 420–421

Minister of Agriculture meets CVMA, 78

National Examining Board, 10, 150, 269–270

New telephone services at CVMA, 612

Oversupply of veterinarians in Canada could lead to significant drop in incomes, study concludes, 535–536

Pet Food Certification Program, 618

Public Statement on the Disposal of Euthanized Cats and Dogs, 683–684

Re-engineering the Bureau of Veterinary Drugs, 143

Special photograph and t-shirt design contest, 17, 207, 616–617

Standing on guard (CVMA Committees), 16

Student graduate survey, 543–544

Swine import regulations raise concerns, 79

Vaccine protocol change deemed premature, 203–206

Veterinarians make headlines, 484–486

Cardiovascular system

Persistent right aortic arch in a yearling horse, 714

Cats

A different approach to controlling the cat population, 242

Attitudes and concerns of Canadian animal health technologists toward postoperative pain management in dogs and cats, 491

Cholecystadenocarcinoma in a cat, 373

CVMA position statement on vaccine protocols ill considered, 473

CVMA position statement on vaccine protocols ill considered: The CVMA National Issues Committee responds, 477

In favor of pediatric neutering (letter), 397

Observations on the use of cyproheptadine hydrochloride as an antipruritic agent in allergic cats, 634

Partial intestinal obstruction due to colonic adenocarcinoma in a cat, 769

Pediatric neuters can be technically challenging, 244

Proof required of effectiveness of proposed new feline vaccination protocols (letter), 607

Vaccination of dogs and cats: General principles and duration of immunity (commentary), 423

Ventricular ependymoma in a cat, 719

Cattle

A comparison of the clinical field efficacy and safety of florfenicol and tilmicosin for the treatment of undifferentiated bovine respiratory disease of cattle in western Canada, 161

Atypical sporadic lymphosarcoma in a 7-month-old Holstein heifer, 431

Clinical mastitis in dairy cattle in Ontario: Frequency of occurrence and bacteriological isolates, 33

A correction, 240

Comparison of 3 methods of selenium assessment in cattle, 225

Evaluation of possible methods to reduce pain associated with electroejaculation in bulls, 504

First report of *Fasciola hepatica* in cattle in Alberta, 433

Here all ye dairy cattle veterinarians (letter), 463

Impact of a sustained-release ivermectin bolus on weight gain in breeding age Holstein heifers under commercial pasture conditions in southern Quebec, 701

Injection site survey in Canadian-fed cattle: Spring 1997, 97

Injection site surveys in Canadian yearling cattle and cull cows and bulls: Fall 1997, 497

Isolation of a nicotinamide-adenine dinucleotide (NAD)-dependent *Pasteurella haemolytica*-like organism from the placenta of an aborted cow, 507

Ovarian follicular responses in dairy cows treated with GnRH and cloprostenol, 107

Partial carpal arthrodesis in a calf with chronic infectious arthritis of the carpus and osteomyelitis of the carpal and metacarpal bones, 438

Prevalence and geographical distribution of *Giardia* spp. and *Cryptosporidium* spp. in dairy farms in Québec, 697

Prévalence des infections à *Salmonella* spp. chez les bovins et les équins de l'Hôpital vétérinaire d'enseignement de la Faculté de médecine vétérinaire de l'Université de Montréal, 566

Probable ceftiofur-induced cutaneous drug reaction in a cow, 296

Spastic syndrome in a Canadian Hereford bull, 716

Streptococcus acidominimus in a case of bovine fibrinopurulent metritis, 377

The effect of streptomycin, oxytetracycline, tilmicosin, and phenylbutazone on spermatogenesis in bulls, 103

The effects of *Tritrichomonas foetus* and nutritional status on the fertility of cows on a community pasture in Saskatchewan, 638

Cervidae

External skeletal fixation for treatment of comminuted fractures in wapiti: 5 cases, 370

Clinical chemistry

Measuring vitamin A in blood plasma and serum (letter), 261

Clinical pathology

Clinical pathology interpretation, 177
